# Tomorrow Street and Vodafone Bring You **Arch Summit**

Arch Summit is the premier event for connecting tech startups with corporate decision-makers. Set in Luxembourg city, this event brings together innovators and influencers in a dynamic 2-day programme of tailored meetings, keynote speeches, tech roundtables, startup pitches, and high energy exhibitions.

The goal is to facilitate face-to-face connections between startups and corporates to develop opportunities and drive innovation together.

# What is Tomorrow Street?

Tomorrow Street is Vodafone's global Innovation Centre, created in partnership with Luxembourg's national incubator Technoport.

By leveraging our position at the heart of Vodafone's international network in Luxembourg, Tomorrow Street propels late-stage startups to the next level.

Vodafone scale.

Luxembourg Government backing.

VPC global market knowledge.

Shared success.

Long term commitment.

Office co-location space.

Local testing.

Global launches.
